

Collegiate Baton Rouge

Uniform Policy

All students must come to school in the CBR uniform every day. We have a required school uniform for several very important reasons:

1. **Uniforms unite us as a community.** When you look at a group of students in the school uniform, it is a powerful visual statement of our community. Students make a commitment when they put on the CBR uniform to live up to the school's high expectations. As a community, we are united around achieving our highest potential and achieving the college of our dreams. That's what our uniform reflects, and we wear that representation with pride.
2. **Uniforms reduce distractions and competition.** A student spending time discussing and evaluating what others are wearing can distract from focus on learning. Wearing uniforms eliminates this distraction.
3. **Uniforms help make us all equal.** Whether families have high incomes or low incomes, students come to school dressed the same way. No one feels embarrassed or uncomfortable about his or her clothes.
4. **Uniforms look professional.** Students demonstrate their preparation for the day ahead through their uniform. The students come mentally prepared for school and "dressed for work." A required dress code or uniform is common in the adult workplace and the careers our students will one day pursue.
