

# Collegiate Baton Rouge

The mission of Collegiate Baton Rouge is to empower all students to graduate from college and change the world as learners and leaders.

## Principal's Message

*Welcome to CBR, home of the navy, teal, and gold dolphins! You'll find a loving school home here at CBR, where we know every student very well. Expect to hear from us frequently; we want you to be well-informed on how your child is doing at school. As a school, we are celebrating that we had the highest growth of any open enrollment high school in the city last year. Your child is going to work hard at CBR, and will also grow into his/her full potential. Our staff won't settle until that is true. Welcome to the family!*
