Dear Pride Families,

Your child's safety and well-being are at the heart of every decision we make for the Pride. Early this morning, we were notified that an individual posted a message to social media that could be interpreted as a threat to our school community.

Out of an abundance of caution, we decided to cancel school today as we partner with local law enforcement to assist us in investigating the potential threat.

If you or your child hear or see anything that could be seen as a threat to our Pride community, please do not hesitate to report it to law enforcement and the school immediately. Together we can keep our kids safe and empower our students to speak up on behalf of our school community's safety.

We will return to school on January 7, 2020. We will increase collaboration with our safety team and law enforcement to keep our school safe. Please reach out to me if you have any questions or concerns regarding today's incident.

If your student was planning to take a make-up midterm today or was attending the field trip, both will be rescheduled. When we return from break when we look forward to getting back to the work of continuing our legacy as a leader in academic excellence.

Sincerely,

A handwritten signature in black ink that reads "Ben Davis".
